Dear Sir/Madam,

We intend to award the services described in the enclosed procurement documents.

Please submit your self-declaration of eligibility using the designated form and your technical and financial bids by 9 December, 2026 1.00pm (Berlin time) in English. Details of our submission requirements are explained in the enclosed terms and conditions for application. By submitting your tender, you accept GIZ's General Terms and Conditions of Contract (in the currently valid version).

Please note that this is a public invitation to tender so there will be no negotiations.

Please note that when you submit a tender, the tender is binding until the expiry of the deadline. The contract will come into force upon notification of its award within the deadline.

The tender documents, comprising the following, are to be submitted in their entirety:

- completed self-declaration and annexes
- financial bid in the format provided (price schedule)
- technical bid: curriculum vitae (CV) for each expert and concept

When preparing the financial bid, you must adhere to the requirements of the specification of inputs as set out in the Terms of Reference. The

tenders received will be subject to a technical assessment based on the CV and the concept in accordance with the annexed technical assessment grid. Only tenders that score at least 500 points in the technical assessment will be accepted for the financial evaluation. Technical bids that fail to reach this cut-off point will be regarded as unsuitable.

The technical bid is weighted at 70% and the financial bid at 30%.

If a consortium is to be formed for the service offered, please submit the consortial declaration.

Please also submit the annex 'Data processing services pursuant to Article 28 EU GDPR and technical and organisational measures'.

Planned schedule for the rest of the procurement procedure:

Contract award and information about the result of the evaluation	January 2027
End of binding period (i.e. tenders no longer legally binding)	31.03.2027
Commencement of service delivery	January 2027

Sustainability
We have developed a Guide for Practicing Corporate Sustainability (GPS) so that our contractors can learn about corporate sustainability at GIZ. We invite you to go through GPS and obtain a participation certificate.

Participation in GPS does not influence the award decision in this procedure. However, we would very much welcome your taking part in GPS: https://gps.giz.de/en/.

Yours sincerely,

Deutsche Gesellschaft für
Internationale Zusammenarbeit (GIZ) GmbH

Julia Bronshtein
Senior Contract Manager, E280
Contract Management
