Introduction : Good day my name is from . We would like to ask you some basic information about yourself. Neither your name or any identifying information will be released beyond myself and our data analyst. We collect this information to provide our donor with generalized information on participation in our services – how many people benefited from our activities for example and if we can do things better next time to increase the impact of the support we provided. We do not give them any personal details of the individuals we interview.

Providing this information should take no more than 5 minutes of your time. Refusing to give this information will not affect your participation in this activity or your ability to participate in future support activities we may offer.

1.6 After the information you received, do you agree to continue with the interview?
