Invitation to submit a request to participate

Dear Sir/Madam,

We intend to award the services/work described in the enclosed procurement documents.

In a first step, please only submit your request to participate (self-declaration of eligibility) and the order form for registration of a business partner by 19.08.2026, 14:00 pm (Berlin time) in English language. Details of our submission requirements are explained in the terms and conditions for application. By submitting your offer, you accept GIZ's General Terms and Conditions of Contract (in the version valid currently).

If we receive more than 5 requests to participate, we will make a selection on the basis of the criteria laid out in the self-declaration of eligibility and invite tenders only from the 5 tenderers with the highest scores. We reserve the right to cancel the contract award procedure if we receive fewer than three requests to participate.

Within the framework of the basic project described in the terms of reference, GIZ reserves the right to award contracts for additional services to the successful tenderer in this procedure.

GIZ also reserves the right to award the contract on the basis of initial tenders without entering into negotiations.

Planned schedule for the rest of the procurement procedure:

Information about the evaluation of the requests to participate, and invitation to tender	02.09.2026
Deadline for submission of a tender	23.09.2026
End of negotiations	22.10.2026
Contract award and information about the result of the evaluation	After contract submission beginning of November 2026
End of binding period (i.e. bids no longer legally binding)	18.12.2026
Commencement of service delivery	After contract submission beginning of November 2026

Sustainability

We have developed a Guide for Practicing Corporate Sustainability (GPS) so that our contractors can learn about corporate sustainability at GIZ. We invite you to go through GPS and obtain a participation certificate.

Participation in GPS does not influence the award decision in this procedure. However, we would very much welcome your taking part in GPS: <http://gps.giz.de/en>.

Yours sincerely,

Deutsche Gesellschaft für
Internationale Zusammenarbeit (GIZ) GmbH

Denise Özlem Akan
Contract Manager, E270
Contract Management
