in accordance with the requirements stipulated in the procurement documents. Details of our submission requirements are explained in this letter and in the requirements for application included with the procurement documents. Please note that this is an 'open procedure' and that there will therefore be no negotiations.

The technical bid is weighted at T: 70%, the financial bid at F: 30%. Set budgets items stated in the tender documents for the financial bid are not part of the evaluation and weighting of the financial bids. Weighting is based on the formula:

$$= 0,7 \times \frac{\text{Technical assessment of tenderer}}{\text{Assessment of best technical bid}} + 0,3 \times \frac{\text{Lowest financial bid}}{\text{Tenderer price}}$$

GIZ reserves the right to change the contract by taking up an option pursuant to Section 132 (2) no 1 German Act Against Restraints on Competition (GWB) or entering into a follow-on contract pursuant to Section 14 (4) no 9 German Ordinance on the Award of Public Contracts (VgV) (see Section 7) of the terms of reference.

Planned schedule for the rest of the procurement procedure:

Information to tenderers about result of tender evaluation	November 2026
Award of contract	November 2026
Commencement of service delivery	November/December 2026
Your tender will remain legally binding up to	31.12.2026

Questions

Please raise any commercial, technical or procedural questions promptly, and no later than the deadline for submission of queries specified on GIZ's e-procurement tender platform. Questions can only be submitted electronically, using GIZ's e-procurement tender platform. Non-compliance may result in your tender not being considered.

Sustainability

We have developed a Guide for Practicing Corporate Sustainability (GPS) so that our contractors can learn about corporate sustainability at GIZ. We invite you to go through GPS and obtain a participation certificate, which you can hand in with the proposal.

Participation in GPS does not influence the award decision in this procedure. However, we would very much welcome your taking part in GPS: <http://gps.giz.de/en>.

Our requirements for other procurement documents, which are listed in the annex below, also apply.

Yours sincerely,
